18

NUNCA armazene ou apoie o ferro na posição vertical!

¡No guarde NUNCA la plancha en posición vertical!

NEVER store the iron in the vertical position!

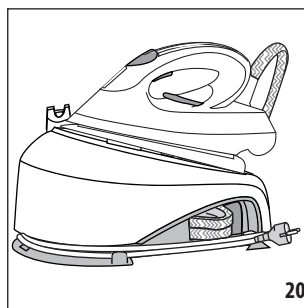

19

Dual Vap

Opção de vapor duplo: pode ser acionado de forma concentrada somente na ponta ou em toda a superfície da base.

Vapor en la punta para los puntos más difíciles y vapor en toda la plancha para las áreas extendidas.

Super concentrated steam from the tip for the most difficult-to reach areas, efficient steam on all soleplate for largest areas.

20

BASE DUPLA

Exclusiva base dupla patenteada (cerâmica + aço inox) para resultados perfeitos.

SUELA DUAL

Exclusiva suela de doble material y doble perfil patentada para proporcionar resultados perfectos.

DUAL SOLEPLATE

Exclusive double material and patented profile soleplate for perfect results.
