

AVVERTENZE IMPORTANTI

LEGGERE ATTENTAMENTE QUESTE ISTRUZIONI

- L'apparecchio è dotato di un termostato che limita la temperatura e di un termofusibile.
- La sua costruzione è conforme alle norme europee relative agli elettrodomestici.

- Prima di collegare l'apparecchio alla rete di alimentazione, controllare che la tensione indicata sulla targhetta corrisponda a quella della rete locale.
- Collegare sempre l'apparecchio ad una presa con messa a terra.
- Non lasciare l'apparecchio esposto ad agenti atmosferici (pioggia, sole, ecc...)

- Non lasciare incustodito l'apparecchio mentre è collegato alla rete elettrica.
- Non immergere mai l'apparecchio nell'acqua o in altri liquidi.
- Non rovesciare l'apparecchio durante il funzionamento.
- Staccare sempre la spina dalla presa di alimentazione durante i rifornimenti.

- Attenzione! al primo riempimento si potrebbero verificare piccole fuoriuscite di acqua, questo fatto è di tipo normale e non comporta alcun rischio.

- PRIMA DI UTILIZZARE IL PRODOTTO ASSICURARSI CHE GLI OGGETTI E LE SUPERFICI DA TRATTARE SIANO RESISTENTI O COMPATIBILI CON L'ELEVATA TEMPERATURA DEL VAPORE. IN PARTICOLARE SU PAVIMENTI IN COTTO TRATTATO, SUPERFICI IN LEGNO. SI CONSIGLIA DI CONSULTARE LE ISTRUZIONI DEL FABBRICANTE ED ESEGUIRE UNA PROVA SU UNA PARTE NASCOSTA O SU UN CAMPIONE.

- Questo apparecchio non è adatto all'utilizzo da parte di persone (compresi i bambini) con capacità fisiche, sensoriali o mentali ridotte. Gli utenti che manchino di esperienza e conoscenza dell'apparecchio oppure ai quali non siano state date istruzioni relative all'utilizzo dell'apparecchio dovranno essere soggette alla supervisione da parte di una persona responsabile della loro sicurezza.

- E' necessario vigilare sui bambini per assicurare che non giochino con l'apparecchio.
- Non aggiungere mai prodotti discoloranti, aromatici, d'alloggio o detersivi all'interno del prodotto, in quanto potrebbe danneggiarlo o renderlo meno sicuro.

- Non dirigere mai il getto di vapore verso persone, animali, oppure verso apparecchiature che contengono parti elettriche (es. interno del forno).

- ATTENZIONE: pericolo di scottature.

- Non toccare le superfici calde durante l'uso del prodotto. Lasciare raffreddare gli accessori prima di sostituirli.

- Attenzione: prima di riempire il serbatoio procedere come segue:

- scollegare il cavo di alimentazione dalla presa di corrente.
- Non usare l'apparecchio se risulta danneggiato. Tutte le riparazioni, compresa la sostituzione del cavo di alimentazione, devono essere eseguite solamente dal centro assistenza Ariete o da una persona con qualifica simile, in modo da prevenire ogni rischio.

- DURANTE L'USO SVOLGERE COMPLETAMENTE IL CAVO DI ALIMENTAZIONE.

- Questo prodotto è stato costruito per uso domestico e non per uso industriale.

- Questo apparecchio è conforme alla direttiva 2006/95/CE e EMC2004/108/CEE.

- Questo apparecchio dovrà essere destinato esclusivamente all'uso per il quale è stato concepito e nel modo indicato nelle istruzioni d'uso. Ogni altro utilizzo è da considerarsi improprio e quindi pericoloso.

- Il costruttore non può essere considerato responsabile per eventuali danni derivanti da uso improprio o errati.

- Allorché si decide di smaltire come rifiuto questo apparecchio, si raccomanda di renderlo inoperante tagliando il cavo di alimentazione. Si raccomanda inoltre di rendere innocue quelle parti dell'apparecchio suscettibili di costituire un pericolo, specialmente per i bambini che potrebbero servirsi dell'apparecchio per i propri giochi.

- Gli elementi dell'imballaggio non devono essere lasciati alla portata dei bambini in quanto potenziali fonti di pericolo.

- CAUTION: DANGER OF BURNS

- Do not touch hot surfaces while the appliance is being used. Allow the attachments to cool down before replacing them.

- Attention: before filling the tank, carry out the following operations:

- unplug the power cord from the outlet.
- Do not use the appliance if it is damaged. To avoid any risk, all repairs, including replacement of the power cable, may only be carried out by an Ariete Assistance Centre or by a suitably-qualified technician.

- UNWIND THE POWER SUPPLY CABLE COMPLETELY DURING USE.

- This product has been designed for domestic, not industrial, use.

- This appliance conforms to the 2006/95/EC and EMC2004/108/EEC directives.

- This product must be used exclusively for the purpose for which it was designed and in the manner indicated in the instructions for use. Any other use will be considered improper and therefore, dangerous.

- The manufacturer refuses to accept any liability for damages deriving from improper or incorrect use.

- In the event that you decide to dispose of the appliance, we advise you to make it inoperative by cutting off the power cord. We also recommend that any parts that could be dangerous be rendered harmless, especially for children, who may play with the appliance or its parts.

- Packaging must never be left within the reach of children since it is potentially dangerous.

- CAUTION: DANGER OF BURNS
